

We are in the final countdown stage of our move to 800 West Grand Avenue. It is T-minus 6 weeks and counting. It is hard to believe that the time is almost here. I want to take this opportunity to thank you for your patience, encouragement and faithfulness you have demonstrated during this process. I also want to thank you for your generosity and support of our capital campaign and budget over this past year. You have demonstrated a remarkable commitment and I am deeply indebted to you for all that you have done.

In the coming weeks we will begin the process of packing up and moving. We will need many volunteers to accomplish this task. You will have an opportunity to volunteer beginning this Sunday, February 6th. Be sure to look at the back of your "blue card" in this Sunday's bulletin for opportunities to help. We will put together a schedule for the move. The schedule consists of several weekends and possible some week nights, if necessary. Many of you have been asking what you can do to help. Now is the time. And we will have plenty of opportunities. Thanks for your willingness and eagerness. I am so grateful to be your pastor. *Bro. Craig*

Thanks to ALL . . . who made our **Homecoming Sunday** great success. We fed close to 400 and had around 700 in the Sanctuary. A special thanks to our Social Committee and the men who set up the tables and chairs. **February will be a busy month** as we finalize our moving plans and as we finish our **RADICAL** Sunday School lessons. Thanks to all our adult teachers who helped in this effort. March 6th will be our **Commitment Sunday**. **A very important meeting for all workers and teachers** will be Sunday, February 13th, at 5 pm, in Cobb Chapel. Sunday School, DT, Music and Mission Workers. We will be making our room assignments in the new building, so please plan to be here. **Young at Heart** will meet at 7:30 am on Thursday, February 17th to go to Convention Hall for our EBA Annual Breakfast. See me if you would like to go. Advance Tickets are \$5 per person, so let me know as soon as possible. *Bro. Don*

Well, the time is quickly approaching for us to move to our new location. What an exciting time in the life of 12th Street Baptist Church! Recently I read a devotional in a book entitled Quiet Moments for Worship Leaders, by Marty Parks, which applies to our current situation:

"Moving into a new place of worship can be an exhilarating experience. Under the best of circumstances, it's a tangible sign that God is blessing a community of believers. It can be visible evidence that His people desire a venue to gather, extolling His name, and proclaiming His wonders.

Psalm 30 was written by Israel's chief musician for the dedication of the Temple. It beautifully portrays that worship is a response to God for all He is, and for all He's done." Psalm 30:1 begins with: "I will exalt You, O Lord, for Thou has lifted me up, and has not let my enemies rejoice over me. " So as we continue to progress forward in this move, let's look for God's hand in it every step of the way.... "that my soul may sing praise to Thee, and not be silent. O Lord, my God, I will give thanks to Thee forever (Psalm 30:12)." Let's not overlook His faithful, gracious interaction in our lives, and call it "coincidence" or "good luck." Instead, let's offer praise to Him who "makes the crooked straight, and the rough places plain (Isaiah 40:4b)." *- Ronnie*

Hopkins Chapel Mission
Greeting from Hopkins Chapel.

Every Christian who is called to follow the Lord is also called to be a fisher of men. There's no exception and no alternative method. Jesus is calling, asking you and me to answer His call. Jesus says to all of us, "You catch 'em and I'll clean them." You may experience a drought in your fishing. Days and hours of casting without any luck. These can be discouraging days. As fishermen we must change our tactics or move to another place. Sometimes in life we need to stop and listen to God. He wants us to change our routines to be more in line with His plans for us.

God says that drawing near to Him always results in a relationship that is real and personal. If we listen to Him and are obedient to Him, we can truly experience His grace and power in our lives.

Cast your nets and bring the catch to Jesus. You catch them and He will clean them. Come see us at Hopkins Chapel, you'll be glad you did.
