Can you believe it? The year 2011 has drawn to a close. It seems like only yesterday that 2011 was just beginning. We were discussing the soon-to-happen move to our new location, and trying to plan how we were going to get the move done... and yet, not really understanding completely in advance exactly what we had to do. There was an unbelievable amount of "stuff" that had to be moved, or stored, or done away with. Decisions had to be made quickly to actually be ready to move in by the first weekend in April. It was a little overwhelming to consider all this at the time. And yet, many, many people stepped up to the plate and made sure it all happened.

I would like to thank all those who did so much - particularly in the area of the Music Ministry - to make this happen. Nancy and Jerry Albert did so much to organize things to be moved from the choir suite, and help decide where all of that was going to.... the complete music library, all of the various instruments throughout the building,...just EVERYTHING. And then so many stepped up to help: Jerry Newman, Palmer Rowe, the Kemps, Jean and Tubby, Marie and Leah, G.R..... (I shouldn't have started listing names..I can't list them all.) So I'll just say thanks to all. And this has continued throughout the rest of 2011. I want to say a special note of thanks to Karen Moore, who as the music secretary has gone way beyond the call of duty to make things work...while commuting between two buildings to get it done. Then there is Terry and Wayne with the sound...the people who helped with the stage...the new praise team...and on and on.... THANKS TO ALL! And now, we start Phase II. What does God have in store for us in 2012? It will be exciting, whatever it is. We don't know the end from the beginning, but let's join God in the process, because He already knows!

Hopkins Chapel Mission

a few chips from

Greeting from your mission church, Hopkins Chapel! Well the old year 2011 is gone and the new year 2012 is here. I wonder how many of your New Year's Resolutions you have broken. I hope not any. I pray you have stuck to your resolutions and will continue to do so the rest of the year. Ask God to shine His light into the darkness of your heart. Ask Him to reveal your doubts and fears. Ask Him to reveal your sin that lies covetously in your heart. Then, get ready for a blessing. Draw up close because when you repent, He'll reach in with healing forgiveness, He'll rattle your doors and wake you up with a gigantic blessing from His heart. Praise the Lord!

God bless you! - from Bro. Wallace and Staff
